## ENROLLMENT POLICIES

Students are not considered for admission to The Banff School until a completed application is submitted along with the non-refundable application fee. Upon acceptance and before the student may attend school, the non-refundable deposit must be paid, enrollment contract signed, and tuition payment arrangements completed. Subsequently, tuition is due on the first of each month. Tuition is paid in 11 monthly installments from June to April. All tuition payments are non-refundable/non-transferable. The Banff School operates on a "Rolling Enrollment" policy where, once enrolled at the school, the student will automatically be considered re-enrolled for all subsequent years and deposit costs automatically deducted from their tuition payment account each enrollment season unless otherwise notified by the parents of an intent to withdraw for the future year.

## TUITION COMMITMENT

Your enrollment contract with the school financially obligates you to pay the full amount of the annual tuition regardless of attendance or mid-year withdrawal. The Banff School provides an optional Tuition Refund Plan through A.W.G. Dewar Insurance. If selected, this plan helps protect the investment you are making in your child's education. For a covered cause of loss, this Tuition Insurance will pay the remaining portion of tuition up to the coinsurance percentage listed on the policy. For more information or to request a copy of the plan benefits and policies, please contact the school's Admissions Office.
