

ENRICHMENT

Enrichment activities are for those of you who would like more challenging learning opportunities. Or maybe you want to change things up a bit. Please submit your completed activities. I would love to see your creativity!

- Use Lego blocks or other toys to create scenes from this week's Studies Weekly. Take pictures or make videos and submit here.
- Create a skit with your family using this week's Studies Weekly. Share your video with me. (Maximum=5 minutes)
- Write a poem. Create a sketch, painting, or other work of art that represents your poem.
- Choose one of the living things from your Nature Journal. Write what life is like from that living thing's perspective. (Minimum=1 full page). You may create art to go with it, too!
- Create a crossword puzzle with all this week's spelling words.
- Art words-Get creative with your spelling words by creating art in and around the letters of each spelling word.

Example: 

- Write math word problems using your spelling words.
