

## ***THE BANFF SCHOOL: College Fairs***

Each year the National Association for College Admission Counseling hosts a college fair in Houston. Every student should take advantage of this opportunity to gather information from many schools in one place and in a short amount of time! Check NACAC's website for the next Houston event. <http://www.tacac.org/college-fairs>

In addition, several area public school districts host their own college fair events. Check their websites for information.

Cypress-Fairbanks ISD holds its College Night at the Berry Center on Barker-Cypress Rd. It is usually an October event. <http://www.cfisd.net/en/calendar/>

Klein ISD also has a college night in October. This event is hosted at Champions Forest Baptist Church on Stuebner-Airline Dr. Consult the district website for details on the next college night. <https://www.kleinisd.net>

Tomball ISD has two high schools. Each one handles its own college fair. In 2016 the events were held in February. Check the websites for the dates on the next ones that they will host. <http://www.tomballisd.net>

Don't forget to check out the individual college websites! Most colleges will hold their own version of a college fair or college day for prospective students!
